MISS WANDA GIBSON

MR. KEN STILLER

Dedication

In humble gratitude, we, the senior class of 1964, dedicate this, our Bearcat, to you, Miss Gibson, and to you, Mr. Stiller, as a token of our appreciation for the constructive guidance and help you have given us during the past four years.

We know that we could never thank you enough for all the worry, the trials, the hard work, and the devotion you have bestowed upon us to make our high school years successful.

Again we thank you for all this and more and hope that this gift from our hearts will in some small way show our appreciation.
